CONSENT DECREE

23 **I. BACKGROUND**

24 A. The United States filed its Complaint in this action on August 9, 2002, seeking
25 declaratory relief pursuant to 28 U.S.C. § 2201 regarding the rights and obligations of the
26 parties under Section 3304 of the Federal Debt Collection Procedures Act of 1990
27 ("FDCPA"), 28 U.S.C. § 3304, and the Federal Priorities Act ("FPA"), 31 U.S.C. § 3713,
28 and seeking appropriate injunctive relief.

1 B. Defendant ASARCO Incorporated ("ASARCO") is incorporated in the State
2 of New Jersey and maintains its principal place of business at 2575 E. Camelback Rd.,
3 Phoenix, Arizona. Defendant Southern Peru Holdings Corporation ("SPHC") is incorporated
4 in the State of Delaware and maintains its principal place of business at 2575 E. Camelback
5 Rd., Phoenix, Arizona. SPHC is a holding company and is a wholly owned subsidiary of
6 ASARCO. ASARCO is a wholly owned subsidiary of Americas Mining Corporation
7 ("AMC"), which is incorporated in the State of Delaware. AMC is a wholly owned
8 subsidiary of Grupo Mexico S.A. de C.V. ("Grupo Mexico"), a Mexican corporation.

9 C. ASARCO has established liabilities to the United States. These include, but
10 are not limited to, environmental clean-up and/or payment obligations under the following
11 civil judgments: *United States v. ASARCO* (W.D. Wash.), Civil Action No. C91-5528 B;
12 *United States v. ASARCO* (W.D. Wash.), Civil No. C94-5714RJB; *United States and State*
13 *of Idaho v. ASARCO, et al.* (D. Idaho), Civil Action No. 94-206-N-EJL; *United States and*
14 *State of Texas v. Encycle/Texas and ASARCO* (S.D. Texas), Civil Action H-99-1136; *United*
15 *States v. ASARCO* (D. Mont.), CV 98-3-H-CCL; *United States v. ASARCO* (D. Mont.), CV-
16 90-46-H-CCL; *United States and State of Arizona v. ASARCO* (D. Ariz.), No. CIV 98-0137
17 PHX ROS; *United States v. ASARCO* (D. Colo.), Civil Action Nos. CV-83-C-2388 and 86-C-
18 1675; *United States v. ASARCO* (D. Utah), Civil Action No. 2:98CV-0415B; *United States*
19 *v. ARCO, et al.* (D. Montana), Civil Action No. 02-35-Bu-RFC; and *United States v.*
20 *ASARCO, et al.* (D. Kansas), Civil Action No. 99-1399.

21 D. ASARCO also has environmental liabilities to the United States under
22 administrative orders on consent issued by the United States Environmental Protection
23 Agency ("EPA") and the United States Department of Agriculture ("USDA") pursuant to the
24 Comprehensive Environmental Response, Compensation, and Liability Act ("CERCLA"),
25 42 U.S.C. § 9601 *et seq.*, including but not limited to the following: *In the Matter of Circle*
26 *Smelting, Beckemeyer, IL*, EPA Docket No. V-W-97-C-419; *In the Matter of Removal Action*
27 *- East Helena Superfund Site*, EPA Docket No. CERCLA-VIII-91-17, June 20, 1996; *In the*
28 *Matter of RI/FS, Vasquez Blvd./Interstate 70 (Denver, CO)*, CERCLA-08-2001-13,

1 September 25, 2001; *In the Matter of Jasper County/Tri-State Mining Area Site*, 91-F-0020,
2 August 2, 1991; *In the Matter of Newton County Mine Tailings Site*, VII-96-F-0022, June 17,
3 1997; *In the Matter of Federal Mine Tailings Site*, VII-97-F-0009, September 30, 1997; *In*
4 *the Matter of Big River/St. Francois County Mining Area Site*, VII-97-F-0002, January 29,
5 1997; *In the Matter of Jack Waite Mine Site* (USDA), Idaho Panhandle National Forest, EPA
6 Docket No. 10-98-00--CERCLA, March 30, 2000; and *In the Matter of Upper Blackfoot*
7 *Mining Complex, Helena National Forest, Montana* (USDA., Forest Service, Northern
8 Region).

9 E. The United States alleges that ASARCO also has environmental liabilities
10 under EPA unilateral administrative orders as follows: *In the Matter of Commencement Bay*
11 *Nearshore/Tideflats Site (Sediments/Groundwater OU)*, CERCLA 10-2002-0046; *Silver Bow*
12 *Creek/Butte Area Site (Mine Flooding OU)*, CERCLA-VIII-96-19, June 11, 1996; *In the*
13 *Matter of Newton County Mine Tailings Site*, 07-2002-0114, April 15, 2002; *In the Matter*
14 *of Omaha Lead Site*, CERCLA-7-99-F-0029, August 24, 1999.

15 F. ASARCO is a defendant in an ongoing civil action, *United States v ASARCO,*
16 *et al* (D. Idaho), Civil Action Nos. 96-0122-N-EJL/91-0342-N-EJL (Consolidated Cases),
17 brought under Section 107(a) of CERCLA for recovery of response costs and damages for
18 injury to, destruction of, or loss of natural resources at the Coeur d'Alene River Basin in
19 Idaho, which is part of the Bunker Hill Mining and Metallurgical Complex Superfund
20 Facility Operable Unit 3.

21 G. Although not yet subject to formal proceedings, the United States contends that
22 ASARCO is liable under Section 106 and/or 107 of CERCLA, 42 U.S.C. §§ 9606, 9607, for
23 response actions and repayment of response costs incurred or to be incurred at a number of
24 additional sites, including but not limited to the Richardson Flat Site, Park City, UT; the El
25 Paso County Metal Survey Site, El Paso, TX; the Omaha Smelter Site, Omaha, NE; and the
26 Hayden Mine and Smelter Site, Hayden, AZ. Moreover, based on ASARCO's mining and
27 operational history, ASARCO stands exposed to the potential that additional environmental
28 liabilities will arise or be discovered in the future.

1 H. ASARCO has been unable to comply fully with its environmental remediation
2 obligations over at least the last two years.

3 I. ASARCO is and has been, and/or the United States claims that ASARCO is
4 and has been, in violation of a number of the various consent decrees, administrative orders
5 on consent and unilateral administrative orders referenced in Paragraphs C, D, and E, as the
6 result of its actual or alleged noncompliance with the requirements, terms and conditions of
7 those consent decrees or orders, including financial assurance requirements. ASARCO
8 stands exposed to claims for stipulated and statutory penalties in excess of \$100,000,000 for
9 such noncompliance. Because ASARCO's noncompliance with several outstanding consent
10 decrees and orders continues, ASARCO's exposure to stipulated and statutory penalties
11 increases significantly every day.

12 J. ASARCO would have to spend in excess of \$150 million in calendar years
13 2003 through 2005 if required to perform all Environmental Response work that it is
14 obligated to the United States to perform by the end of that calendar year and to reimburse
15 the United States for all of the United States' existing claims for past Environmental
16 Response Costs.

17 K. In July 2002, ASARCO informed the United States that ASARCO and SPHC
18 intended to sell their stock holdings and majority ownership interest in the Southern Peru
19 Copper Corp. ("SPCC") to AMC and informed the United States of the proposed terms for
20 this transfer.

21 L. The Complaint filed in this action seeks a judgment declaring that the proposed
22 terms of the sale and transfer of ASARCO/SPHC's ownership interest in SPCC, as
23 represented by ASARCO to the United States in July 2002, violate Sections 3304(a)(1),
24 3304(a)(2), and 3304(b)(1)(B)(ii) of the FDCPA, 28 U.S.C. §§ 3304(a)(1), 3304(a)(2), and
25 3304(b)(1)(B)(ii), as well as the FPA, 31 U.S.C. § 3713, and seeks preliminary and
26 permanent injunctive relief enjoining this sale and transfer under such proposed terms.

27 M. ASARCO represents that: (a) the sale and transfer of the ASARCO/SPHC
28 ownership interest in SPCC is necessary for the financial viability of ASARCO and to

1 eliminate the outstanding secured debt which had originally been due and payable on
2 November 10, 2002; (b) with the approval of this settlement, ASARCO fully intends to
3 continue its operations for at least the next 12 months following approval; and (c) ASARCO
4 fully intends to fulfill all of its environmental obligations to the U.S., States, Tribes, and
5 pursuant to private party civil litigation settlements to the fullest extent of its capabilities.

6 N. ASARCO and SPHC represent that they believe the sale and transfer of their
7 stock and ownership interest in SPCC as structured under the terms of this Consent Decree
8 provides reasonably equivalent value for their interest in SPCC. ASARCO and SPHC
9 provide support for that representation in Appendix I.

10 O. In consideration of the covenants of the United States as set forth in Section
11 X of this Consent Decree, ASARCO agrees to the creation of an Environmental Trust under
12 the terms and conditions set forth in this Consent Decree and in the Trust Agreement.

13 P. In creating the Environmental Trust provided for as part of this Consent
14 Decree, it is the intent of the Parties that ASARCO have no beneficial, equitable or legal
15 interest in the Environmental Trust. The beneficiary of the Environmental Trust shall be the
16 United States in its capacity as enactor and enforcer of laws protecting the environment and
17 the health and welfare of its citizens.

18 Q. By entering into this Consent Decree the Defendants do not admit any liability
19 arising out of the transactions or occurrences alleged in the complaint, nor do they admit to
20 the truth of any of the allegations contained in the complaint. Moreover, by entering into this
21 Consent Decree, the Defendants do not admit any liability under CERCLA or any other
22 environmental statute regarding any Site.

23 R. The Parties recognize, and the Court by entering this Consent Decree finds, that
24 this Consent Decree has been negotiated by the Parties in good faith; implementation of this
25 Consent Decree will avoid prolonged and complicated litigation between the Parties; and this
26 Consent Decree is fair, reasonable, and in the public interest.

27 NOW, THEREFORE, it is hereby Ordered, Adjudged, and Decreed:
28

3 U.S.C. §§ 1331, 1345, 2201, 3004, and 3306. This Court also has personal jurisdiction over

14 or real or personal property, shall in no way alter ASARCO's or SPHC's responsibilities
15 under this Consent Decree.

16 3. AMC is a signatory to this Consent Decree, and AMC and its successors and
17 assigns are bound solely with respect to its obligations set forth in Appendix A and Appendix

22 including, but not limited to, any transfer of assets or real or personal property, shall in no
23 way alter AMC's or Grupo Mexico's obligations under this Consent Decree and the related
24 Notes and Guaranty. AMC and Grupo Mexico consent to the jurisdiction of this Court, and
25 agree that they will not challenge, in any action brought by the United States to enforce the
26 terms and conditions of this Consent Decree, the jurisdiction of this Court to enter this
27 Consent Decree or the personal jurisdiction of this Court to enforce the specific obligations,
28 conditions, or requirements to which they are subject pursuant to this Consent Decree.

18 Sites. The collateral for this security interest shall be Note B and the

11 the Stipulation shall be deemed terminated.

12 8. In the event that the Stipulation is not terminated on or before January 31,
13 2003, AMC has represented that it may choose to loan ASARCO \$50 million solely for the
14 purpose of satisfying, in part, the payment due to the holders of the "Yankee" bonds that
15 mature on February 3, 2003. If such loan is made, AMC shall pay to ASARCO/SPHC the
16 sum of \$450 million instead of \$500 million pursuant to Paragraph 6.a.ii.

17 **VI. ENFORCEABILITY OF NOTES AND GUARANTY**

18 9. The Parties, AMC, and Grupo Mexico agree that Note B and the Guaranty shall
19 be directly enforceable by the United States under the terms of this Consent Decree, both on
20 its own behalf and, as beneficiary, on behalf of the Environmental Trust.

21 10. The Parties, AMC, and Grupo Mexico agree that this Court has full jurisdiction
22 and legal authority to enforce Notes A and B and the Guaranty, and to enter any appropriate
23 relief otherwise available under applicable law in the event of nonperformance or default.

24 11. Nothing in this Consent Decree shall limit or abridge any other remedy
25 available to the United States, the Trustee, or any other person to enforce the terms of Notes
26 A and B and the Guaranty.

27 **VII. ENVIRONMENTAL TRUST**

1 12. An Environmental Trust shall be established for the sole purpose of funding
2 Environmental Response Costs at any or all of the Sites, under the terms and conditions of
3 the Trust Agreement, attached hereto as Appendix F. The Trust Agreement may be modified
4 according to its terms. If the Trust Agreement is modified, it must be reexecuted and
5 promptly filed with the Court.

6 13. The Environmental Trust shall be administered by an independent Trustee
7 appointed pursuant to the Trust Agreement.

8 14. The Environmental Trust shall initially be funded by the assignment of Note
9 B and the Guaranty to the Trust, as prescribed under Paragraph 6.a.xi of this Consent Decree.
10 All payments on Note B and/or the Guaranty shall be made directly to the Trustee on behalf
11 of the Trust.

12 15. The assets of the Environmental Trust shall be used for no purpose other than
13 to pay Environmental Response Costs at any or all of the Sites, or for administration of the
14 Environmental Trust consistent with the Trust Agreement.

15 16. In structuring and administering the Environmental Trust under this Consent
16 Decree, the Trustee may seek to minimize any tax liability to which the assets of the
17 Environmental Trust might be subject.

18 **VIII. ANNUAL BUDGET AND WORK SCHEDULES**

19 17. On an annual basis, for so long as there are funds of the Environmental Trust,
20 a budget and work schedule shall be finalized in accordance with the provisions of the Trust
21 Agreement and this Section.

22 18. Within thirty (30) days of the date of entry of the Consent Decree, ASARCO
23 and the United States shall meet in good faith to establish an initial annual budget and work
24 schedule consistent with this Section for the remainder of the calendar year 2003. If
25 agreement is reached, and after any consultation with any State or Tribe the United States
26 deems appropriate, this budget and schedule shall be deemed the Annual Budget for calendar
27 year 2003. The United States shall promptly deliver the Annual Budget to the Trustee. If
28 ASARCO and the United States are unable to reach agreement, the United States shall

1 determine the Annual Budget for calendar year 2003 after any consultation with any State
2 or Tribe the United States deems appropriate, and the United States shall promptly deliver
3 such budget to the Trustee. The decisions of the United States made pursuant to this
4 Paragraph shall be in its sole and unreviewable discretion and shall not be subject to further
5 dispute resolution or challenge, nor shall they constitute final agency action giving rise to
6 judicial review.

7 19. Thereafter, no later than the first day of November of each calendar year that
8 the Environmental Trust is in existence, ASARCO shall submit to the United States an
9 Environmental Response Report. This report shall include the following:

10 a. A description of all Environmental Response work performed by
11 ASARCO at each Site during the current calendar year and the actual cost of such
12 performance to ASARCO;

13 b. A Site by Site description of all Environmental Response work which
14 ASARCO is responsible for performing during the upcoming calendar year under
15 existing consent decrees or administrative orders, and general cost estimates for such
16 work.

17 c. An Environmental Response work proposal for the upcoming calendar
18 year, which shall include

19 i. a description of the Environmental Response work that ASARCO
20 proposes be funded by the Environmental Trust Fund during the
21 upcoming calendar year (and additional years if warranted by the nature
22 of the work);

23 ii. a description of the portion of the work identified in Paragraph
24 19.c.i that ASARCO proposes to undertake;

25 iii. a cost estimate for this proposed work; and

26 iv. a detailed justification for ASARCO's selection of proposed work
27 as opposed to the other potential Environmental Response work for
28 which ASARCO is responsible, or for which the United States has

1 deemed ASARCO a Potentially Responsible Party, during the upcoming
2 calendar year (and additional years if warranted by the nature of the
3 work); and

4 v. a list of continuing multi-year allocations provided in prior Annual
5 Budgets, if any.

6 20. Should ASARCO not timely submit an Environmental Response Report, the
7 United States shall proceed to develop a Proposed Annual Budget in accordance with the
8 procedures set forth in Paragraph 21.

9 21. After any consultation with any State or Tribe the United States deems
10 appropriate, but no later than 45 days after the due date for submission of the Environmental
11 Response Report as prescribed in Paragraph 19, the United States shall serve upon ASARCO
12 a Proposed Annual Budget of Environmental Response work to be completed within the
13 upcoming calendar year. The Proposed Annual Budget shall include a description of the
14 Environmental Response work to be performed, a designation of ASARCO, the United
15 States, and/or some other Performing Entity as having the right to seek reimbursement for
16 the performance of each specified work project under the budget and schedule, and a budget
17 allocating Environmental Trust monies to fund performance of the response work described
18 in the Proposed Annual Budget and to reimburse the United States and/or a State for their
19 Environmental Response Costs.

20 22. Following ASARCO's receipt of the United States' Proposed Annual Budget,
21 ASARCO and the United States shall engage in a period of consultation not to exceed thirty
22 (30) days to expeditiously and informally discuss the Proposed Annual Budget and to
23 consider any suggested modifications. Within fifteen days of the conclusion of the period
24 of consultation, the United States shall determine the Annual Budget and provide the budget
25 to ASARCO and the Trustee. The decisions of the United States made pursuant to this
26 Paragraph shall be in its sole and unreviewable discretion and shall not be subject to further
27 dispute resolution or challenge, nor shall they constitute final agency action giving rise to
28 judicial review.

1 23. Within twenty (20) days of receipt of an Annual Budget pursuant to Paragraph
2 18 or 22, the Trustee shall notify the United States and ASARCO in writing that the Trustee
3 either accepts or rejects such Annual Budget. The Trustee is obligated to accept and
4 administer any Annual Budget submitted by the United States unless the Trustee concludes
5 that such budget and schedule would be inconsistent with the stated purpose of the
6 Environmental Trust or any conditions or limitations set forth in the Environmental Trust
7 Agreement. A notice of rejection under this Paragraph shall contain an explanation of the
8 Trustee's rejection of the Annual Budget. In the event of a rejection determination by the
9 Trustee under this Paragraph, the United States may either submit a new budget and schedule
10 in accordance with the provisions of Paragraphs 21 and 22 of this Consent Decree, or may
11 seek review by this Court of the Trustee's decision to reject the Final Budget.

12 24. All Annual Budgets must be established in light of the anticipated availability
13 of funds in the Environmental Trust and shall not require the Trust to pay more money than
14 it is reasonably anticipated will be available from the Trust Fund for any calendar year.
15 Annual Budgets shall provide only for the payment of Environmental Response Costs at
16 Sites; however, not every Site is required to be addressed in any given Annual Budget.
17 Annual Budgets shall not be in conflict with ASARCO's existing work obligations
18 specifically set forth in any consent decree or order except where a modification of such
19 other consent decree or order may be sought pursuant to Section XIII. In such cases, the
20 requirements of any Annual Budget that conflicts with ASARCO's existing work obligations
21 under any consent decree or administrative order shall be expressly conditioned upon
22 obtaining a modification pursuant to Section XIII. Where warranted by the nature of the
23 planned Environmental Response work, an Annual Budget may include a planned allocation
24 of projected Environmental Trust funds over a multi-year period.

25 25. An Annual Budget accepted by the Trustee may be amended only by written
26 agreement of ASARCO and the United States, subject to review by the Trustee. Either
27 ASARCO or the United States may propose amendments to the current Annual Budget by
28 service of the proposal on the other party. If ASARCO and the United States reach

1 agreement on the amendment, the United States shall promptly provide the amended Annual
2 Budget to the Trustee. Any amended Annual Budget shall be subject to the conditions and
3 limitations set forth in Paragraph 24. The procedures prescribed in Paragraph 23 governing
4 acceptance or rejection of Annual Budgets shall apply to acceptance or rejection of amended
5 Annual Budgets submitted to the Trustee under this Paragraph.

6 26. ASARCO shall have the right to seek review by this Court of the Trustee's
7 acceptance of an Annual Budget solely on the following limited grounds:

- 8 a. the Annual Budget would require the Trust to pay monies at a facility
9 that is not a Site as that term is defined in this Decree;
- 10 b. the Annual Budget conflicts with ASARCO's existing work obligations
11 specifically set forth in an existing consent decree or order and the conflicting
12 provision or provisions are not expressly conditioned upon obtaining a
13 modification of the existing consent decree or order pursuant to Section XIII;
- 14 c. the Annual Budget would require the Trust to pay monies for costs that
15 are not Environmental Response Costs as that term is defined in this Decree;
- 16 d. the Annual Budget would require the Trust to pay more money than it
17 is reasonably anticipated will be available from the Trust Fund for any
18 calendar year; or
- 19 e. the Annual Budget does not adequately fund the performance of
20 Environmental Response work for which ASARCO has been designated as
21 responsible under such Annual Budget.

22 Review sought pursuant to this Paragraph shall be by petition to this Court. Such petition
23 must be filed no later than ten days after the date of receipt of a notice of the Trustee's
24 acceptance of an Annual Budget pursuant to Paragraph 23. As provided in the Trust
25 Agreement, the Trustee shall, and the United States may, file a memorandum in support of
26 the Annual Budget being challenged within 30 days of service of a petition under this
27 Paragraph. The Court shall affirm the Trustee's decision unless there is clear and convincing
28 evidence that one of the four grounds for challenge set forth in this Paragraph exists. This

1 Paragraph constitutes the exclusive mechanism by which the Defendants may challenge or
2 dispute an Annual Budget, and the Defendants agree not to invoke any other dispute
3 resolution mechanism, including any dispute resolution mechanism provided for in any
4 existing consent decree or administrative order.

5 27. ASARCO shall perform all Environmental Response work for which it has
6 been designated as responsible under any Annual Budget during the current calendar year
7 for such Annual Budget, provided, however, that ASARCO shall not be responsible for
8 performing or completing such Environmental Response work (a) in the event of a Force
9 Majeure, or (b) to the extent, and only to the extent, that ASARCO is unable to perform or
10 complete such Environmental Response work because insufficient funds were allocated in
11 such Annual Budget for reimbursement of the cost of such Environmental Response work,
12 and such insufficiency in funding (i) could not reasonably have been anticipated as of the
13 deadline for submitting a petition for review of an Annual Budget under the terms of
14 Paragraph 26, or (ii) was anticipated by ASARCO and was communicated to the Trustee
15 prior to the Trustee's acceptance of an Annual Budget. Nothing in this Paragraph shall affect
16 the right of the United States to direct ASARCO to perform or complete Environmental
17 Response work subject to the limits specified in Paragraph 33.

18 **IX. ENVIRONMENTAL TRUST PAYMENTS**

19 28. A Performing Entity may submit reimbursement requests ("Claims") to the
20 Trustee, with a copy to the United States and ASARCO, for any Environmental Response
21 work for which the claimant was designated as Performing Entity in any Annual Budget.
22 Such Claims must include a full description of all work performed, itemized contractor
23 invoices, and other supporting documentation required under the Trust Agreement. Except
24 as provided in Paragraphs 29 and 30, the Trustee shall be authorized to reimburse a
25 Performing Party only to the extent a Performing Party submits receipts or other proof
26 showing that it has already paid its contractors directly for work that was authorized under
27 the Annual Budget, or, in the case of ASARCO's internal sampling and analytical laboratory
28 costs incurred in lieu of retaining an outside contractor for performance of the same sampling

1 and laboratory work, where such costs were the low bid out of at least three bids and were
2 included on an Annual Budget, only to the extent that ASARCO submits documentation
3 establishing that such costs have already been incurred. The United States and ASARCO
4 shall have thirty (30) days from the date of service of a copy of any Claim in which to serve
5 an objection to that Claim, indicating the basis for contending the Claim is not authorized
6 under the Annual Budget or is not properly documented or supported. Such objection shall
7 be served on the Trustee, the Performing Entity making the Claim, and the United States or
8 ASARCO as appropriate. If there is no objection within thirty days from the date of service
9 of a copy of the Claim, the Trustee shall promptly pay the Claim to the Performing Entity
10 subject to any limitation on payments provided in the Trust Agreement, unless the Trustee
11 concludes that such payment is not authorized under the Annual Budget or that the Claim
12 was not properly documented or supported. In the event that there is an objection or the
13 Trustee determines that the Claim as submitted should not be paid, the Performing Entity
14 making the Claim shall promptly submit a written presentation to the Trustee in support of
15 payment of the Claim or shall withdraw the Claim. The Trustee shall promptly make an
16 independent determination as to whether to allow the Claim, and shall notify the United
17 States, ASARCO, and the Performing Entity of his or her decision. The decision of the
18 Trustee to pay a Claim is not subject to judicial review except upon an allegation by
19 ASARCO or the United States that the Trustee exceeded his or her legal authority in making
20 that decision. The decision of the Trustee to deny a Claim is subject to judicial review only
21 upon petition of the Performing Entity that submitted the Claim alleging that the Trustee was
22 in error in concluding that payment of the Claim was not authorized under the Annual Budget
23 or that the Claim was not properly documented or supported.

24 29. The Trustee shall be authorized to directly reimburse a contractor of a
25 Performing Entity, except a contractor of the United States, for a Claim or a portion thereof
26 upon submission of unpaid contractor invoices with the Claim and a statement by the
27 Performing Party that the contractor has not yet been paid and is to be paid directly by the
28 Trustee.

1 **30.** If an Annual Budget accepted by the Trustee designates EPA as the Performing
2 Entity for Environmental Response work at a Site, the Trustee shall transfer the amount
3 budgeted for that work from the Environmental Trust to a special account established by
4 EPA for that Site within the Hazardous Substances Superfund without the need for the filing
5 of a Claim. The Trustee shall make the transfer, in accordance with instructions provided
6 by EPA, by the later of (a) ten days after the Trustee's acceptance of the Annual Budget
7 designating EPA as the Performing Party, or (b) ten days after receipt of the payment under
8 Note B being allocated in that Annual Budget. EPA may utilize the transferred funds only
9 to pay for performance or oversight of the work specified for the relevant Site in the Annual
10 Budget. Within 60 days after completion of that work, EPA shall submit a report to the
11 Trustee documenting the work performed and the costs incurred for the work. EPA shall
12 provide the same degree of documentation as required in Paragraph 28, and the process of
13 reviewing, challenging and approving such submissions shall be the same as set forth in
14 Paragraph 28. If the United States has expended less than the full amount transferred to it
15 under this Paragraph for performance or oversight of the Environmental Response work
16 specified in the Annual Budget, it shall return the excess proceeds to the Trust. If the
17 Trustee, after review of EPA's report, determines that EPA expended less than the full
18 amount transferred on performance or oversight of the work specified in the Annual Budget
19 and has not returned the excess proceeds to the Trust, the Trustee shall so notify EPA and
20 shall request repayment of the amount not expended on that work. EPA shall have thirty
21 days either to challenge the Trustee's determination by petition to this Court or to pay the
22 amount requested to the Trustee for redeposit into the Environmental Trust Account. If the
23 Trustee's determination is upheld in whole or in part, EPA shall, within thirty days, pay the
24 amount determined to be payable to the Trustee for redeposit into the Environmental Trust.

25 **31.** Any Claim or portion thereof not paid solely because there was insufficient
26 money in the Environmental Trust or because it exceeded the amount budgeted in the Annual
27 Budget for any calendar year may be considered for inclusion in the Annual Budget for the
28 following calendar year.

1 32. Any portion of the Environmental Trust not expended in a given year shall be
2 available to pay Environmental Response Costs in the following calendar year.

1 **X. COVENANTS OF THE UNITED STATES**

2 **Temporary Deferral of Existing Environmental Obligations**

3 33. The United States agrees that the total annual Environmental Response Costs
4 that the United States shall require ASARCO to incur or pay during calendar years 2003
5 through 2005 pursuant to any consent decree or administrative order, including but not
6 limited to those listed in Paragraphs C, D, or E, over and above the Environmental Response
7 Costs designated for funding by the Environmental Trust during those calendar years
8 pursuant to Section VIII of this Consent Decree, shall not exceed the following limits:

9 Calendar Year 2003 - \$2 million;

10 Calendar Year 2004 - \$2.5 million; and

11 Calendar Year 2005 - \$3 million.

12 Subject to the reservation of rights set forth in Section XII, the United States agrees

13 a. not to seek judicial enforcement against ASARCO of any consent
14 decree or administrative order, and

15 b. not to seek judicial enforcement to recover costs of Environmental
16 Response work incurred by the United States prior to February 1, 2003,
17 to the extent that such enforcement would require ASARCO to incur or pay Environmental
18 Response Costs during calendar years 2003 through 2005 in excess of the limits prescribed
19 in this Paragraph, provided that ASARCO remains in compliance with all obligations
20 imposed under the terms and conditions of this Consent Decree and all agreements or
21 schedules arising thereunder, and provided that the payments to be made under Note B as
22 assured by the Guaranty are not in default. Costs incurred by ASARCO in connection with
23 Environmental Response other than such Environmental Response as the United States
24 directs ASARCO to perform shall not be included for purposes of calculating credit towards
25 the annual limits prescribed in this Paragraph. In calculating Environmental Response Costs
26 for purposes of the limits established in this Paragraph only, ASARCO may include internal
27 costs that are incurred in lieu of costs that otherwise would have been expended for an
28 outside contractor for performance of the same Environmental Response work. Such costs

1 may be included only if ASARCO and the United States agree in advance on the scope of the
2 work by ASARCO employees to be included in such credit and the specific amount to be
3 credited.

4 Other Covenants and Agreements

5 34. Any payments actually made to the United States from the Environmental Trust
6 for a particular Site shall be credited by the United States to the appropriate account for that
7 Site. Environmental Response work performed at a Site that is funded by monies credited
8 to the appropriate account for that Site under this Paragraph shall reduce the liability of
9 ASARCO and any other potentially responsible parties at that Site in accordance with
10 applicable law. The United States covenants and agrees not to seek reimbursement from
11 ASARCO of any amounts credited to a Site account pursuant to this Paragraph.

12 35. The United States covenants and agrees not to seek from ASARCO stipulated
13 or statutory penalties based on any failure of ASARCO to comply fully with any requirement
14 to perform Environmental Response work or any requirement under an existing CERCLA
15 or RCRA consent decree or administrative order that requires ASARCO to provide financial
16 assurance for Environmental Response work to be performed under that decree or order,
17 where such noncompliance has occurred between December 1997 and the date of entry of
18 this Consent Decree.

19 36. The United States covenants and agrees not to seek from ASARCO stipulated
20 or statutory penalties based on any failure of ASARCO to comply fully with any requirement
21 under an existing CERCLA or RCRA consent decree or administrative order that requires
22 ASARCO to provide financial assurance for Environmental Response work to be performed
23 under that decree or order, where such noncompliance occurs during calendar years 2003,
24 2004 and 2005, provided that ASARCO remains in compliance with all obligations imposed
25 under the terms and conditions of this Consent Decree and all agreements or schedules
26 arising thereunder, and provided that the payments to be made under Note B as assured by
27 the Guaranty are not in default. However, nothing in this Paragraph limits the rights of the
28 United States to seek information about ASARCO's financial status.

1 37. Effective upon the occurrence of all events required to occur on or before the
2 Closing Date, as set forth in Paragraph 6, and not before such time, the United States
3 covenants not to sue and agrees not to pursue all of its Environmental Response Costs
4 incurred prior to February 1, 2003, for: (a) the Circle Smelting Non-Time Critical Removal
5 Site; (b) the Globe Plant Site; and (c) the Murray Smelter Consent Decree - Relevant Section.
6 In addition, the United States covenants not to sue and agrees not to pursue \$2 million of its
7 response costs incurred prior to February 1, 2003, for the Commencement Bay
8 Nearshore/Tideflats Superfund Site - Relevant Operable Units.

9 38. Effective upon the occurrence of all events required to occur on or before the
10 Closing Date, as set forth in Paragraph 6, and not before such time, the United States
11 covenants not to sue and agrees not to pursue any legal challenge to the transfer of the
12 Defendants' ownership interest in SPCC stock based on a claim that the transfer was not for
13 sufficient value received or based on any other claim alleged in the Complaint. Furthermore,
14 as provided in Paragraph 7, the Stipulation shall be deemed terminated upon the occurrence
15 of all events required to occur on or before the Closing Date as set out in Paragraph 6, subject
16 to the reopener provisions of Paragraph 46.

17 **XI. COVENANTS OF ASARCO, SPHC, AMC AND GRUPO MEXICO**

18 39. ASARCO, SPHC, AMC, and Grupo Mexico agree not to assert any claims or
19 causes of action against the United States, or its contractors or employees, in connection with
20 the matters addressed by or work performed under this Consent Decree, including but not
21 limited to:

22 a. any direct or indirect claim for reimbursement from the EPA Hazardous
23 Substance Superfund established by 26 U.S.C. § 9507, based on Sections 106(b)(2),
24 107, 111, 112, or 113 of CERCLA, 42 U.S.C. §§ 9606(b)(2), 9607, 9611, 9612, or
25 9613, or any other provision of law, for Environmental Response Costs paid by the
26 Environmental Trust or for costs subject to the United States' covenant not to sue set
27 forth in Paragraph 37;
28

1 b. any claims arising out of the work performed under any Annual Budget
2 for which a Claim is paid by the Environmental Trust; and

3 c. any claims arising out of the United States' challenge to
4 ASARCO/SPHC's transfer of its ownership interest in SPCC stock once such transfer
5 is completed.

6 40. ASARCO, SPHC, AMC, and Grupo Mexico agree not to assert any claim or
7 defense against the United States in any subsequent administrative or judicial proceeding
8 initiated by EPA, DOI or USDA, or by the United States on behalf of EPA, DOI or USDA,
9 for injunctive relief, recovery of response costs, or other appropriate relief relating to matters
10 within the scope of this Consent Decree, based upon the principles of waiver, res judicata,
11 collateral estoppel, issue preclusion, claim-splitting, or other defenses based upon any
12 contention that the claims raised in the subsequent proceeding were or should have been
13 brought in this proceeding.

14 **XII. RESERVATION OF RIGHTS**

15 41. The United States reserves, and this Consent Decree is without prejudice to,
16 all rights against ASARCO/SPHC with respect to all matters not expressly included within
17 the covenants and agreements of the United States set forth in Section X, including but not
18 limited to the right to file and enforce liens authorized under applicable environmental
19 statutes and the right to pursue enforcement action against ASARCO, with respect to:

20 a. liability of ASARCO under CERCLA, RCRA, the Clean Water Act, 33
21 U.S.C. § 1251 *et seq.*, the Clean Air Act, 42 U.S.C. § 7401 *et seq.*, and any other
22 environmental statute or the regulations promulgated thereunder;

23 b. liability of ASARCO under any existing consent decrees or administra-
24 tive orders, including but not limited to those listed in Paragraphs C, D, or E;

25 c. liability for response actions and costs incurred or to be incurred by the
26 United States;

27 d. liability for damages for injury to, destruction of, or loss of natural
28 resources, and for the costs of any natural resource damage assessments;

1 e. liability for unlawful transfers of corporate assets or other prohibited
2 transactions regardless of whether such transactions are related to obligations within
3 the scope of this Consent Decree, except as provided by Paragraph 38, and

4 f. liability for failure of ASARCO to meet a requirement of this Consent
5 Decree.

6 42. Notwithstanding any other provision of this Consent Decree, the United States
7 reserves all rights against ASARCO with respect to criminal liability.

8 **XIII. RELATIONSHIP TO EXISTING CONSENT DECREES AND ORDERS**

9 43. Nothing in this Consent Decree shall be deemed to modify any existing consent
10 decree or administrative order. If the Parties conclude that the schedule for work or
11 payments set forth in an existing consent decree or administrative order should be modified
12 because (a) the work and/or payments were due during the period covered by the United
13 States' agreement in Paragraph 33 to forbear from enforcement of existing consent decrees
14 and administrative orders and were covered by that agreement, and (b) the work was not
15 required in the pertinent Annual Budget(s) under this Consent Decree, the Parties shall seek
16 in good faith to modify the schedule set forth in the relevant consent decree or administrative
17 order to take into account the period in which the United States agreed to forbear from
18 enforcement. Where the consent of other parties to the consent decree or administrative
19 order is required to accomplish a modification, the Parties shall jointly seek to obtain such
20 consent. Nothing in this Paragraph affects any requirement for court approval or public
21 notice and comment that may apply to a proposed modification to an existing consent decree
22 or administrative order on consent.

23 **XIV. EFFECT OF NONCOMPLIANCE**

24 44. The transfer conditions set forth in Paragraph 6 are necessary and material
25 components of the agreement embodied in this Consent Decree and are a condition precedent
26 to all other covenants and agreements set forth in this Consent Decree. Should the transfer
27 of ASARCO/SPHC's ownership interest in SPCC stock fail to occur by June 1, 2003, such
28 failure shall constitute a material breach of this Consent Decree. In the event of such

1 material breach, (i) this Consent Decree shall become null and void in its entirety, including
2 all agreements and covenants set forth in this Consent Decree, (ii) the Stipulation shall
3 remain in full effect, and (iii) the United States may seek to avail itself of any other remedies
4 available by law or equity. The June 1, 2003 deadline may be extended by the mutual written
5 agreement of all signatories to this Consent Decree.

6 45. Should ASARCO/SPHC transfer its ownership in SPCC stock in a manner that
7 fails to conform fully and completely with all conditions identified in Paragraph 6, such
8 failure shall constitute a material breach of this Consent Decree. In the event of such
9 material breach, (i) the covenants of the United States as set forth in Section X of this
10 Consent Decree shall become null and void; (ii) the United States in its discretion may
11 declare this Consent Decree null and void in its entirety by written notice to
12 ASARCO/SPHC; (iii) the Stipulation shall remain in full effect; and (iv) the United States
13 may seek to avail itself of any other remedies for such breach that are available by law or
14 equity.

15 46. Should the transfer of ASARCO/SPHC's ownership in SPCC stock be
16 subsequently completely unwound, invalidated, or nullified pursuant to a judgment issued
17 by a court of competent jurisdiction, (i) this Consent Decree shall become null and void in
18 its entirety, including all agreements and covenants set forth in this Consent Decree, except
19 that the covenants of ASARCO, SPHC, AMC and Grupo Mexico set forth in Paragraphs
20 39.b, 39.c, and 40 shall remain in valid and in full effect; (ii) the Stipulation shall be
21 reopened and shall be in full effect; and (iii) the United States may seek to avail itself of any
22 other remedies available by law or equity.

23 47. Should the assignment of Note B and/or the Guaranty to the Environmental
24 Trust be unwound, set aside or otherwise be rendered unavailable for use by the Environmen-
25 tal Trust in the manner set forth in Sections VII and VIII, the United States may declare any
26 or all agreements and covenants set forth in Paragraphs 33 through 37 null and void.

27 48. Except as provided below, upon ASARCO's failure or inability to successfully
28 contract for or perform the Environmental Response work at any Site for which ASARCO

1 is designated a Performing Entity in any Annual Budget, the United States may upon written
2 notice to ASARCO and the Trustee (i) withdraw its covenant set forth in Paragraph 33 of this
3 Consent Decree with respect to such Site, (ii) terminate ASARCO's right to participate in the
4 performance of Environmental Response work under the terms of Section VII at such Site,
5 (iii) terminate ASARCO's right to seek payment of Claims under the terms of Section IX
6 with respect to such Site, and (iv) assume the performance of any Environmental Response
7 work assigned to ASARCO at such Site by any Annual Budget or amendment and the right
8 to submit Claims for such work. In the event that ASARCO's failure or inability to
9 successfully contract for or perform the Environmental Response work at any Site for which
10 ASARCO is designated a Performing Entity in any Annual Budget is caused by a Force
11 Majeure, this Paragraph shall not apply to such nonperformance.

12 49. The actions of the United States under this Section are subject to the right of
